Confused? We can help...

I've not been to a tournament before and I'm worried that I won't do very well...

Don't worry - we've all been there! Tournaments are about having fun playing foosball. Sure, there'll be people there that are pretty good but the best way of playing is to just enjoy the experience. People are very friendly at foosball tournaments too, so if you ask someone how to shoot a shot or learn a skill then they'll be more than happy to show you.

What rank am I?

Every player competing will have one of five "ranks". These are Beginner, Amateur, Semi-Pro, Pro and Pro Master, and are meant to indicate the rough level of skill of the player. If you've never played in a tournament before then your rank is Beginner, and after the event you may well have moved up depending on how well you did.

Foreign players travelling from overseas take note: you will definitely be ranked as a Semi-Pro or above, and may be ranked higher than you expect. Please contact events@fivebar.co.uk to confirm your rank before you arrive so that there are no surprises on the day.

When in the UK:

By far the easiest way to reach the tournament venue is by car. The Capital Venue is located just off of junction 12 of the M5 motorway. A map and directions can be found [here](#).

If travelling by train, then you should travel to Gloucester Railway Station. From there you will need to catch a bus from a stop across the centre of Gloucester out towards a park and ride car park located just beside the tournament venue. The bus that you need to catch from the city centre is the number 507, departing from Southgate Street in Gloucester, and you should disembark at Waterwells Park and Ride, Quedgeley. A link to the park and ride leaflet, including a map of the route showing where to embark and disembark and bus times, can be found [here](#).

Alternatively, you could also catch a taxi from the railway station citing "Waterwells Business Park" as the destination.

When outside the UK:

The closest airports of a reasonable size to the venue are **Bristol (BRS)** and **Birmingham (BHX)**. There are a number of cheap airlines which use these airports.

For Ryanair flights (great for Poland and Ireland) and routes click [here](#), and for Easyjet [here](#). BMI Regional also do a number of flights from Germany to Bristol, see [here](#). Lufthansa also run a number of flights to Birmingham - you can check [here](#).

For flights from other destinations to these airports please follow these links:

[Flights to Bristol Airport](#)
[Flights to Birmingham Airport](#)

There are also internal flights from within the UK to both airports for those in Scotland or the far north of England.

There are a range of websites that collate flight information from various airlines. From personal experience, [Skyscanner](#) has been found to be useful in the past.

Once in the UK, we recommend either hiring a car and driving to the venue, or catching a train to Gloucester Railway Station. Birmingham Airport has its own railway station, Birmingham International, from which you can travel onwards to Birmingham New Street and from there to Gloucester. If arriving at Bristol Airport you should catch the [Bristol Flyer](#) bus service to Bristol Temple Meads Railway Station, then catch a train to Gloucester.
